

Pride of Wyoming County Agriculture is Evident

300 celebrate the County's largest industry

The North Java Fire Hall was bustling with excitement on April 5th as 300 people came together to celebrate and recognize the importance of agriculture in Wyoming County at the Chamber's Pride of Wyoming County Agriculture Dinner. The event, which was coordinated by the Chamber, was designed to bring farmers and their neighbors together for the sole purpose of celebrating the county's leading industry – agriculture.

"The chamber is proud to have been the lead agency for this important event. As one of the leading agriculture counties in New York State, the Chamber felt it was important to take the time to recognize the significant impact agriculture has on our county," stated Chamber Executive Director James Pierce.

The Chamber would like to again congratulate Jim and Sarah Youngers and family on receiving the Pride of Agriculture Good Neighbor Award, which was presented by Cornell Cooperative Extension of Wyoming County and the Wyoming County Farm Bureau. The Chamber would also like to extend their gratitude to the numerous sponsors of the event. A list of all the generous sponsors is included in the newsletter.

The Pride of Wyoming County Agriculture Dinner was just the first part of a year-long agriculture awareness initiative the Chamber's Agriculture Committee has taken on. Their focus and energy now turns to the Pride of Wyoming County Agriculture Tour. This fall the Chamber will fill two motor coach buses and take county chamber members on tours of farms and agribusinesses throughout the county to expose them to the high-tech, modern, and trend setting agriculture operations in Wyoming County and to help foster a more thorough understanding of the scope and magnitude of agriculture in Wyoming County.

Tom and Jean Gadd present a citation from Assemblyman Dan Burling to the Youngers Family for the Pride of Agriculture Good Neighbor Award

Koike Aronson, Wyoming County's First Certified Empire Zone Business

The Empire Zone Administrative Board and its Chairman, Doug Berwanger, recently recognized Koike Aronson of Arcade as Wyoming County's first certified Empire Zone (EZ) business. Koike is manufacturer of Oxy-fuel and Plasma Cutting machines, welding positioners, manipulators and seam welders. Two recent expansion projects and plans to create many new jobs in Wyoming County coupled with their location being in an Empire Zone opened the door for them to apply for certification and their eligibility for some very attractive tax credits available from New York State.

A common misunderstanding of the EZ program is that if a business is located in one of Wyoming County Empire Zone areas they are automatically eligible for tax credit benefits. That is far from the case. In order for a business located in an Empire Zone to receive any EZ benefits there are a number of eligibility requirements or thresholds that must be met, most notably there must be a "project", meaning there has to be substantial capital investment being made and new jobs being created. Koike reached those thresholds (that are spelled out in our local Development Plan) and will be rewarded through the Empire Zone program for their commitment and growth to Wyoming County and New York State. Congratulations to Koike Aronson!

For more information about the Empire Zone program you can call Mike Heftka, Empire Zone Coordinator at 585-237-4110 or Jim Pierce at the Wyoming County Business Center 585-237-0230.

2008 Business Directory

To be distributed to all county residents and businesses on May 18th

The Chamber's eighth edition of the Wyoming County Business Directory is rapidly nearing completion and is slated for distribution with the four PennySavers that cover Wyoming County during the weekend of May 18th. Approximately 20,000 copies will be delivered to every residence and business in Wyoming County. Members of the Chamber get a free listing in the Directory.

The Business Directory has rapidly become a great source of sales leads for our members and is the most comprehensive business directory available in Wyoming County for a business addresses, web sites, e-mails along with telephone and fax numbers. The best part is most people keep the Directory next to their phone or computer and use it all year long.

The Chamber wants to extend our appreciation to our members who purchased advertisements in the Business Directory and to the Warsaw, Arcade and Attica PennySavers and the Perry Shopper for their assistance with developing the Directory. Special thanks go out to Christine Till, Colleen Kennedy and their staff from the Warsaw PennySaver who donated the cover design and are the ones responsible for putting the publication together. They do a great job!

If you don't get a Directory or need extra copies they will be available at each Penny Saver/Shopper office or at the Chamber after May 19th. Be sure to use the Directory throughout the year to purchase goods and services locally.

Annual Meeting & Business Awards

Please be sure to mark your calendar for the Wyoming County Chamber's Annual meeting scheduled for Wednesday, **June 11, 2008** starting at 5:30 p.m. at the American Legion Hall located in Warsaw's Village Park.

The Chamber's Annual Meeting is the largest business/networking event in Wyoming County and a favorite of our members, local officials and their guests. The business meeting/award ceremony will be very brief. We will have a cash bar, music and the popular gourmet grazing stations. You will have plenty of time to make casual conversation and develop new business contacts in a very relaxed atmosphere.

The Chamber's Annual Planning Committee is working hard to line up some generous sponsors for the meeting to keep the costs down and make it affordable to our members, their employees and guests. Sponsorship opportunities are still available at three different levels Gold-\$500, Silver \$250 and Bronze at \$100. In return for your generosity, the Chamber will use your business name in publicity generated for the event. In addition your business will be listed in the Annual Meeting Agenda and singled out at the event as a sponsor and we also extend you the opportunity to display your banner at the event! Your sponsorship will also demonstrate your support for the Chamber and the work that we do for businesses in Wyoming County. If you are interested in becoming a sponsor, please contact the Chamber at 585-237-0230.
